Subject: Examples of IRB Contracts

DSS: No

Dear Kim:
Would MDS be willing to share with Philip Morris examples of any contracts that MDS may have in place with external IRB's? We are trying to get a sense of standard terms and conditions to which IRB's may have agreed. We would only be interested in redacted examples (deleting any confidential information).

If you could look into this and let me know if MDS is willing to provide us with examples, hopefully sometime next week, that would be helpful. If this is something that MDS would prefer not to share, we would of course, fully understand.

Thanks and please let me know if any questions.

-Valerie
